C3 AI Welcomes Former Speaker of the House Kevin McCarthy to Advisory Board

June 18, 2024

REDWOOD CITY, Calif.--(BUSINESS WIRE)--Jun. 18, 2024-- C3 AI (NYSE: AI), the Enterprise AI application software company, is proud to announce the appointment of Kevin McCarthy, the immediate past Speaker of the House, to its advisory board. Mr. McCarthy will play a pivotal role in guiding C3 AI's expansion of AI solutions among all levels of government, as well as fostering relationships with allied nations.

"Kevin McCarthy's unparalleled experience in public service and his deep understanding of the needs of government at all levels will be invaluable to C3 AI," said Thomas M. Siebel, Chairman and CEO, C3 AI. "His insight will enhance our ability to deliver transformative AI solutions to our customers in law enforcement, property value assessment, and benefits management, as well as the defense and intelligence communities."

Mr. McCarthy's role will include:

- **Strategic Advisory**: Offering strategic counsel to C3 AI's leadership for more effective engagement with the federal government and allied nations to leverage C3 AI's solutions for defense and intelligence.

- **Enterprise Development**: Identifying opportunities for collaboration with state and local government leaders on AI solutions.

"I am excited to join C3 AI and contribute to the company's mission of delivering cutting-edge AI solutions to government entities," said Kevin McCarthy. "C3 AI's enterprise AI solutions are proven to significantly improve service levels for state, local, and federal agencies. I look forward to being a part of this transformative journey."

Siebel added, "Our commitment to serving our state, local, federal, and U.S.-allied customers is unwavering. With Kevin McCarthy's advice and leadership, we are poised to elevate our service to new heights and ensure that our clients have the best AI tools at their disposal."
